The Member's Choice Award goes to . . . Brian Glebe!

Still Morning on Chamcook Lake
Brian Glebe

During July and August, members were invited to enter a photograph in Photo Challenge 2020. The assignment was to capture an interesting picture of water.

Twenty-one (the largest number of entries in the annual contest) amazing submissions were

received. After the contest ended, a digital publication with each entry, identified by number/title, was sent to all current members of Spindrifters and they were asked to vote for their favourite. Brian Glebe's breathtaking *Still Morning on Chamcook Lake* received the highest percentage (20.5%) of votes and was declared the winner of the Members' Choice Award. Brian's winning photograph will be featured on the Spindrifters' 2021 Calendar which will be available to members in December.

RAIN INVADES SAM ORR’S POND ADVENTURE. . .

Ten enthusiastic members met the last Thursday of July to enjoy a leisurely hike around Sam Orr’s Pond. With dark skies and thunder rumbling, the decision was made to set out anyhow and hope for the best. However, ten minutes in the skies opened and the rain came down in buckets. With everyone drenched within minutes, the decision was made to abandon the idea of visiting the Pond. It was left up to intrepid hiker Heather to press on and completed the trek.

Harvest Time at the Community Garden

story and pictures submitted by Muriel Jarvis

It is harvest time at the Community Garden! All gardeners are enjoying the products of their labours such as carrots, beans, lettuce, tomatoes, chard, beets and even pumpkins. A donation of fresh garden veggies was once again made to the Open Door food bank and was greatly appreciated. Now gardeners are preparing to plant their fall garlic in anticipation of a harvest next spring.

Contact Muriel Jarvis at canadamuriel@hotmail.com if you have questions or desire information regarding the St. Andrews Community Garden.

Events and Activities:

Join the Forget-Me-Not Rock Challenge!

September is World Alzheimer's Month, and the Alzheimer Society is raising awareness with its new rock-hiding campaign, the Forget-Me-Not-Rock Challenge.

Until the end of September, you can join the fun by finding their rocks or by painting and hiding your own. Here's the best part: every Friday from now until Sept 25th, they will be giving away a pair of their forget-me-not socks to someone that's participated in the social media challenge! To enter, take a selfie or photo of your rock, post it to Facebook, Instagram or Twitter, and tag the Alzheimer Society of New Brunswick @AlzheimerNB for your chance to win a pair of our forget-me-not socks!

SPINDRIFTERS' GETAWAY IN ALBERT COUNTY

After six months of hoping, anticipation and patient waiting, members who preregistered in March prior to CORVID-19 will be able to enjoy a three-day, two-night stay at the beautiful mountain lodge at Broadleaf Ranch in Albert County just outside Alma and Fundy National Park. They will spend their days enjoying a variety of activities, from hiking, biking, horseback riding and canoeing to manicures and pedicures or gentle walks in the woods.
