SAINT ANDREWS NEWS OF INTEREST TO SPINDRIFTERS

OUTDOOR EXERCISE PARK

Saint Andrews had the pleasure of hosting the Honourable Minister Ginette Petitpas Taylor, Minister of the Atlantic Canada Opportunities Agency and Official Languages making a grant

announcement of \$70,294.00 through the Canada Community Revitalization Fund towards the new Accessible Outdoor Exercise Park that will be located in the community. MLA Kathy Bockus, Mayor Brad Henderson, Dr. David Johnson of SORTI and Carolyn Davies of Age-Friendly Communities also attended the ceremony

COMMUNITY ENGAGEMENT SESSIONS

As the event name implies, the committee "kicked-off" the process of defining Aging in Place services and programs desired for the community.: Between September 2022 – March 2023 the group hopes to hold at least six additional Community Engagement events that you can take part in. The outcome will be an actual implementation plan for the program and services that have been chosen by the community.

You can take action by contacting the government to express support for new approaches to aging in place and aging in care.

Letters of support can be dropped off or mailed to Passamaquoddy Lodge in care of Lezlie LeBlanc for

the Lodge to include in a package to the government for the development of a new facility. Address your letters to: Kathy Bockus, MLA Passamaquoddy Lodge, 230 Sophia Street, Saint Andrews, NB E5B 2C2

If you want to be part of the Community Engagement project, call Emma Keech at the Lodge to sign up: (506) 529-5240, ext. 5245. Everyone is welcome to join any of the sessions as we go along, but to be sure that you don't miss anything, consider putting your name on the project list.

submitted by Sylvia Humphries and Rika Nason

With the arrival of fall, the ninth season for the St. Andrews Community Garden is ending, having been a very successful, productive and rewarding experience for all the participants. The crops are being harvested for the season. Members are preparing their plots for spring planting by adding some of the excellent compost produced in the composters at the garden.

One of the most successful program this season has been the growing and donating of food by Rika Nason for the Saint Andrews Open Door Program

Food Bank. Numerous donations over the season have included

beet greens & sorrel lettuce head peas radish pods garlic red bunching onion white onions

Katherine and Heather

It was an intensely warm summer day as a small group of dedicated members began the monthly hike along Sam Orr's

Pond to Berry Point. It was hot, and they warmed up even more as they traversed the rocks and roots in the pathway. The scenery, with grassy meadows and clear views of Birch Cove, was spectacular and, in their opinion, well worth the workout...

Halloween Crafty Corner Coffee Filter Ghosts

These coffee filter ghost lollipops are a cute and easy twist on classic Kleenex tissue ghosts. A nostalgic and fun Halloween treat that's sure to be a hit with kids of all ages! Use them to stick in plants and vases around your home. Makes everything very festive.

Materials:

Round Lollipops Coffee Filters Small Rubber Bands Thin Black Ribbon Black Sharpie Marker

Directions:

*For each ghost pop, use three coffee filters. Place the coffee filters over the lollipop, and secure in place with a small rubber band. (Note: it is okay if the rubber band is not tight, it just helps to hold things in place.)

*Tightly tie a piece of ribbon around the 'neck' of the ghost. Fluff up the layers of the coffee filters.

*Use a black marker to draw a ghostly face.
